

Dr Roy Chung JP
Group Vice-Chairman and Executive Director
Techtronic Industries Company Limited

Dr Roy Chung JP is a co-founder and currently Group Vice Chairman and Executive of Techtronic Industries Company Limited. He is responsible for the corporate and business management of the Group.

Dr Chung holds a Master of Science Degree in Engineering Business Management from the University of Warwick, United Kingdom. He was awarded an Honorary Doctorate Degree by the University of Newcastle, New South Wales, Australia in 2006. He was further awarded an Honorary Doctor of Business Administration by the Hong Kong Polytechnic University in 2007. He won the Hong Kong Young Industrialists Award in 1997.

As an entrepreneur with strong sense of social responsibility, Dr Chung is genuinely concerned with community welfare and actively participates in voluntary and public services. He is currently the Vice-Chairman of the Federation of Hong Kong Industries, the Chairman of Electronics/Electrical Appliances Industry Advisory Committee of Hong Kong Trade Development Council; the Chairman of Hong Kong Design Council of Federation of Hong Kong Industries; the Director of Hong Kong Design Centre. He is also the Council Member of Vocational Training Council and the Council Member of University of Warwick, United Kingdom.

From April 1999 to March 2007, Dr Chung was a member of The Hong Kong Polytechnic University Council and served as its Deputy Chairman from 2002 to 2007. He is currently the Chairman of the University Court, Chairman of School of Design Advisory Committee and the Director of Development Foundation of the Hong Kong Polytechnic University.
