

**“WIL Around the World:
Educational Leaders Speak Out on Today’s Challenges & Tomorrow’s Successes”**

Description

This Education Panel is comprised of WIL experts from Australia, Canada, Hong Kong, South Africa Thailand, and the U.S.

As leaders of their University’s work-integrated learning programs, our panelists will share their passion, vision, and professional experiences through an interactive dialogue with our international conference delegates. Topics will range from today’s challenges to tomorrow’s successes.
